Frequently Asked Question for ODISHA SKILLS 2021

Background

Odisha Skills Competition first round was held in the year February 8th 2020. Due to Covid19 pandemic the next steps towards the Odisha Skills Competition was kept in abeyance. Odisha Skill Development Authority is pleased to share that the next steps towards the competition is being worked out now with the pandemic is coming in control.

As a first step the results of last year written test is declared. Candidates are required to check SMS in their registered mobile and registered email for results. It is required to click on the confirmation link shared on the SMS / email for the qualified candidates to confirm their participation for next steps. Alternatively, the results can be viewed at <https://skillodisha.gov.in/skill-registration-status>

Due to strong request from various quarters Odisha Skill Development Authority is pleased to share that it has opened the registration process for phase 2 fresh nominations for candidates who have not got an opportunity to register and participate in last year written round.

The registration window will be opened soon.

Frequently Asked Questions (FAQ)

Question: I have never participated in Odisha Skill Competition before. What are the different skills and what is the eligibility criteria to participate?

Answer: Please click on the link <https://skillodisha.gov.in/skill-competition> link to know more about the competition and other details.

Question: I have received a “qualified” message for level 2 earlier. Am I eligible to appear for level 2 on that basis?

Answer: No. All the intimations received in 2020 should be ignored. The intimations sent earlier was on the basis of conducting Viva Tests which stands cancelled due to Covid-19 guidelines and lack of time. The details of the subsequent steps will be shared separately through our official website or in your registered email and phone confirming to COVID-19 guidelines.
